Subject: Libby, Montana
Asbestos Removal Project
Screening Plant Site
Archaeological Investigation Report

Dear Mr. McGuiggin and Ms. Borgesi:

Enclosed are two copies of the following DRAFT document:

The Rainy Creek Site (24LN1045) Data and Significant Information Recovery Report as Part of the Screening Plant Removal Action, Libby, Montana, Asbestos Emergency Response Project - U.S. Environmental Protection Agency Region 8. Edited by Stephen A. Aaberg. April 2002.

A summary of and excerpts from the draft report and CDM Federal Programs Corporation (CDM) review comments are attached. The appendices have not been reviewed. We suggest that the Volpe Center carefully review the ABSTRACT and sections entitled Legal Considerations and Processes and the section entitled MANAGEMENT SUMMARY AND FUTURE RESEARCH.

Mr. John McGuiggin
Ms. Julie Borgesi

Once you have completed your review of this draft, please contact me at 617-452-6270, or Tim Wall at 617-452-6257, to discuss your comments so that we can have our archaeological subcontractor finalize the report.

Very truly yours,

A handwritten signature in black ink, appearing to read 'P. Borowiec, Jr.' with a stylized flourish at the end.

Peter J. Borowiec, Jr., P.E.
Task Manager
CDM Federal Programs Corporation
